OUR STORY

Established in 2000, satnam psyllium industries is a leading indian manufacturer and exporter of psyllium (sat-isabgol), located near unjha, gujarat, asia's largest seed trading hub.

We specialize in psyllium seeds, husk, and husk powder, supplying pharmaceutical, nutraceutical, food, and feed industries worldwide. A government of india-certified export house and BRCGS-certified company, we adhere to global quality and compliance standards including HACCP, GMP, Sedex, and EcoVadis.

Our state-of-the-art 160,000 sq. ft. facility with advanced processing, modern warehousing, and in-house quality control ensures consistently high-purity, safe, and reliable products reliability in every product.
